

I am writing because I am an avid Airl listener and would be very upset if I lost this station in my area due to proposed changes in broadcasting. Airl is the only radio station I listen to and it is truly a blessing. We already lost one Chrisitan radio station in my city this year, and I would hate to lose another one. Please do not make changes that would affect us receiving this broadcast. I support Airl financially and otherwise, and I would be devastated if I couldn't receive it anymore. Thanks for your time.
